WELCOME

Dear Students and Families,

We are excited about what Dupont Park Adventist School will offer our scholars and their families. The 2025-2026 school year will provide our students with a Christian education that is second to none. Our students will engage in a challenging and rigorous academic program while meeting the needs of each student. We strive to ensure that all students become critical thinkers, active problem-solvers, and citizens who lead by serving. Our ultimate goal is to prepare our students for this world and the world to come.

We look forward to working with our students, parents, and stakeholders to provide a high-quality Christian education for all. Please visit our website often to stay abreast of calendar/curriculum updates, handbook and other information as we prepare for the 2025-2026 school year!

In HIS Service,
Dupont Park Adventist School Administration

OUR MISSION: We commit ourselves to excellence in preparing our students for service to God's church, country, and community, and above all eternity.

OUR VISION: The vision of Dupont Park Adventist School is to graduate independent thinkers, who take the lead academically, socially, and spiritually.

PHILOSOPHY

The Dupont Park Adventist School is an evangelistic unit of the Dupont Park Seventh-day Adventist Church. Our purpose is to provide affordable, quality Christian education for students from Pre-Kindergarten through Grade 8. We prescribe to the fundamental Seventh-day Adventist principles of education and believe that the God-inspired educational curriculum implemented educates the whole child-spiritually, physically, mentally, and socially.

Ultimately our aim is to prepare our young people to be productive citizens and effective leaders in this world, destined for the world to come. The Seventh-day Adventist Church recognizes God as the ultimate source of existence and truth. In the beginning, God created in His image a perfect humanity, a perfection later marred by sin. Through Christ and His Spirit, God determined to restore humanity from its lost state. Through the Bible, He has revealed His will to the world, a revelation that superseded human reason. Through His Church on earth, He seeks the lost of His kingdom.

The basic tenets of the Seventh-day Adventist Church, as well as the inspired writings of Ellen White, are directed toward God's restorative plan for fallen humanity. The Church conducts its own system of education to engender belief in these tenets, within the context of one's personal relationship with Jesus Christ, and to foster a desire to share that relationship with others.

Made in God's image, every human being, although fallen, is endowed with attributes akin to those of the Creator. Therefore, Adventist education seeks to nurture thinkers rather than mere reflectors of others' thoughts; loving service rather than selfish ambition; maximum development of one's potential; and an appreciation for all that is beautiful, true, and good.

An education of this kind imparts far more than academic knowledge. It is a balanced development of the whole person. Its time dimensions span eternity. In Adventist education, homes, schools, and churches cooperate together with divine agencies in preparing learners for citizenship here on this earth and in the New Earth to come.

CORE VALUES

SCHOOL-WIDE GOALS

The following goal statements have been established to support the unique philosophy of Seventh-day Adventist education. Each student will:

1. Surrender one's whole life to God through conversion: use the Bible as a basis for a relationship with Jesus Christ and a guide in all areas of life.
2. Desire to know, live out, and share the basic tenets of the Seventh-day Adventist Church.
3. Develop a sense of self-worth, along with skills in interpersonal relationships needed for meeting the responsibilities of family membership and respond to the needs of others.
4. Develop an understanding of multi-cultural diversity and historical heritage, and a working knowledge of governmental processes, while affirming a belief in the dignity and worth of others and a responsibility for local, national, and global environments.
5. Accept personal responsibility for achieving and maintaining optimum physical, mental, and spiritual health.
6. Adopt a systematic, logical approach to decision-making and problem-solving based on a body of scientific, mathematical and historical knowledge, within the context of a biblical perspective.
7. Acquire optimum competency in verbal and nonverbal communication, in the use of information technology, and in effective communication of one's faith.
8. Function responsibly in the everyday world, using Christian principles of stewardship, economy, and personal management.
9. Develop an appreciation of the beautiful, both in God's creation and in human expression, while nurturing individual ability in fine arts.
10. Develop a strong work ethic and an appreciation of the dignity of service, along with an awareness of career options.

ALLEGHENY EAST CONFERENCE STUDENT CREED

Higher than the highest human thought can reach is God's ideal for his children. Godliness-godlikeness is the goal to be reached. Before me there is opened a path of continual progress. I have an object to achieve, a standard to attain, that includes everything good, and pure, and noble (*Education*, p. 18)

I am created in the image of God and I am endowed with power akin to that of the Creator - individuality. power to think and to do. I will develop my power to think and not be a mere reflector of other men's thoughts. (*Education*, p.17)

I must face the practical realities of life. Its opportunities, its responsibilities, its defeats, and its successes. How I meet these experiences, whether I become master, or victim of circumstance depends largely upon my preparation to cope - my education. (*Education, Forward*)

I will use my time wisely!

I will learn something new today!

I will be successful today!

I will have no other gods before Thee

I will not make unto Thee any graven images nor bow down myself to serve them

I will not take the name of the Lord (my God) in vain

I will remember the Sabbath Day to keep it holy

I will honor my father and my mother

I will not kill

I will not commit adultery

I will not steal

I will not bear false witness against my neighbor

I will not covet anything that is my neighbor's

The greatest want of the world is the want of men: men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle of the pole, men who will stand for the right though the heavens fall. But such a character is not the result of accident: it is not due to special favors or endowments of Providence. A noble character is the result of self-discipline, of the subjection of the lower to the higher nature, the surrender of self for the service of love to God and man. (*Education*, p. 57)

Church school serves as a barrier against widespread corruption, provides for mental and spiritual welfare, and promotes prosperity of the nation by furnishing it with men qualified to act in the fear and admonition of God as leaders. (*Education* p. 278)

My happiness for this life and for the future immortal life lies with me. I will not be content with dull thoughts, an indolent mind, or a loose memory. I will seek higher attainments. (*Education*, p. 278)

Christ will be the center of my life and I will be a servant of God and a friend to man. This is my time, my place, and my opportunity. I accept the challenge to be all I can be.

Verification of this should be presented at registration. Parents will also be asked to sign a notarized medical release. This will authorize school officials to obtain emergency medical treatment, should it be necessary.

ATTENDANCE AND PUNCTUALITY

GENERAL GUIDELINES

It is necessary that all students arrive to school by 8:00 AM. Regular school attendance is vital to academic success. Being on time reflects the student, the family, and the school as a whole. When students are absent or tardy, they miss valuable information and lessons necessary to meet world class standards. Therefore, parents and students are expected and encouraged to maintain regular attendance and punctuality, unless unusual circumstances occur.

The school discourages the taking of extra days before or after a scheduled vacation and during anytime while the school is in session. This includes before and during examination periods. Make-up tests will be at the discretion of the teacher.

ATTENDANCE

Students are required by law to attend school punctually and regularly. If your child will not be attending school, please complete the DPAS Attendance Form by 8:00 am of the morning of the absence and email the student's teacher.

- If a student becomes ill during the school day, the student must be picked up by a parent or responsible adult no later than one hour after the school calls and informs the parent/guardian that the student should be picked up.
- If a student has a dentist or doctor's appointment the parent must complete the DPAS Attendance Form by 8:00 am of the morning of the appointment. The student is responsible for any class work missed and for turning in all homework assignments for excused absences and tardies.
- Students must be at school a minimum of 4 hours of classroom time to be counted as present for the day.

SCHOOL HOURS

The school day begins at 8:00 AM and ends at 3:15 PM. Any student not picked up by 3:25 PM will be signed into aftercare. Students are dismissed at 1:00 PM on Friday and 12:30 PM on special days, i.e. Professional Development Wednesdays, the day before a scheduled break, etc. There is no aftercare on special days.

Students may not report to school before 7:00 AM since there will be no supervision provided until 7:00 AM. Any student arriving before 7:45 AM will be placed in Before Care and billed accordingly. After 8:05 AM students are considered tardy. Students are expected to remain in school until dismissal time.

ARRIVAL PROCEDURES

From 7:45 AM to 8:00 AM, students will be dropped off in the breezeway and students will be escorted into the building. Parents will remain in their vehicle. For students arriving after 8:05 AM, parents must escort the student to the office. Tardy students will receive a late slip. See “Drop Off and Pick Up” section for further details.

ABSENCES

All absences require completion of the DPAS Attendance Form on the morning of the absence citing the reason for the absence. Students who are not well enough to participate fully in all indoor and outdoor activities should be kept home until they are completely well.

Excused absences include:

- Illness or injury of the student (written verification is needed from doctor, dentist, or parent)
- Medical reasons such as a doctor/dentist appointment
- Death in the student's immediate family
- Severe weather conditions

Students are expected to complete all work missed during an excused absence. It is the student's responsibility to obtain his/her assignments and complete the work missed during an excused absence. The number of days allowed to make up missed assignments is equal to the number of days the student received an excused absence. In cases of extended illness for three days or more, assignments may be requested through the school office, or directly from the teacher(s). Please allow up to 48 hours for this material to be compiled.

UNEXCUSED ABSENCES

Absences for any reason other than those listed above are unexcused. Going on a vacation is an unexcused absence. Truancy is a violation of State attendance laws.

EXCESSIVE ABSENCES

Any student with excessive absences will be referred to the principal. Excessive absences may lead to consideration for retention, request to withdraw and/or referral to the Executive Committee for expulsion.

TRUANCY

According to Washington, DC policy, students between 5 and 13 years old who have 10 or more absences within a school year will be referred to the Child and Family Services Agency (CFSA) for possible action. Truancy from school may result in the student's name being submitted to the District of Columbia's truancy list.

TARDINESS

After 8:05 am, students are considered tardy and must report to the office to receive a tardy pass from the Office. Students are not allowed into class without a tardy pass. Missed instruction and assignments due to unexcused tardiness **CANNOT BE MADE UP.**

EXCUSED TARDINESS

Tardiness is excused for:

- Doctor's Appointment
- Court Appearance
- Vehicle problems

Completion of the DPAS Attendance Form within one (1) hour of late arrival is required for any tardiness. The time available for completing make-up work due to excused tardiness will correspond to the duration of the tardiness.

UNEXCUSED TARDINESS

Traffic, oversleeping and other excuses not determined acceptable by the administration are considered unexcused tardiness. Instruction and assignments missed due to unexcused tardiness will not be made up. Parents of students with four (4) or more unexcused tardies are required to meet with the principal to discuss the tardiness issue and develop an action plan for improvement. Excessive absences may lead to consideration for retention, request to withdraw and/or referral to the Executive Committee for expulsion.

LEAVING SCHOOL

After arriving on the school campus, a student is considered to be the responsibility of the school and is not to leave the campus without the consent of an administrator. A signed note from a parent or guardian must give the student permission before he/she can be authorized to leave the campus.

EARLY DEPARTURE

Parents are urged to make appointments after school hours. Early departure should be for emergencies only. **Early departures are not to occur on a regular or daily basis.** Teachers should be notified beforehand. When picking up your child for a necessary appointment please come to the **main office** and sign the Early Dismissal Log. Students will be called to meet you. PreK-3/4 and Kindergarteners will be picked up by a staff member and brought to the main building. To avoid disruption at dismissal time, all early departures should occur before 2:30 PM Monday – Thursday, and before 12:15 PM on Friday.

EMERGENCY CLOSING/SNOW DAYS

In the event of snow emergencies, Dupont Park Adventist School will follow the Prince George's County Public School policy for delayed openings, early closings, and school closings. Listen to your radio (WToP, 1500 AM) and check the television stations (Channels 4, 5, 7, 8, & 9) for details. When Prince George's County Public Schools are closed for inclement weather, Dupont Park Adventist School will also close and all students will attend school virtually. There may be times when the Administration deems necessary to close school or dismiss early due to an unforeseen emergency. - **NO RE-ENTRY AFTER DISMISSAL**

For the safety and security of all students, re-entry into the building or classroom is not permitted once a student has been dismissed.

- **Building Re-Entry:** Once a student has exited the building at dismissal, they may not return inside for any reason. Parents should ensure their child has collected all necessary belongings (backpack, homework, lunchbox, coat, instruments, etc.) before leaving. Forgotten items can be retrieved the following school day.
- **Classroom Re-Entry:** Once a student has been dismissed from their classroom to another program—such as aftercare, extracurricular activities, or sports—they may not return to the classroom to collect forgotten items. This rule applies even if the student remains in the building for another program.

Once a teacher has officially dismissed a student—either from the building or from their classroom—responsibility for that student shifts, and staff are no longer assigned to monitor classroom or building re-entry. This policy is in place to protect student safety and maintain building security.

SAFETY PATROL

Selected students will serve as the school's Safety Patrol Team to help direct students in an orderly arrival and dismissal process. To be eligible for safety patrol, students must meet certain criteria. Selections are made shortly after the start of the school year.

DRESS CODE

As in all areas, it is our privilege to honor our Creator, especially in our dress. While we are concerned with the development of beautiful characters, we must also, in the external attire, desire neat, clean, and healthful clothing that is appropriate and becoming. Therefore, Dupont Park Adventist School employs a standard of dress through a uniform policy. The purpose of the uniform policy is to have ALL students in their class, dressed for success to receive their education.

There will be times when the students will be out of uniform, in which case, the students are still required to be modest in dress. By modest we mean, clothing that is neither too short (must pass the fingertip test), too tight, too large, too revealing, nor advertising inappropriate pictures or words. Only with the parent's cooperation and understanding can we continue to maintain our high standards, and entrust to see that their student wear clean, appropriate, and modest clothing at school and at all school functions.

UNIFORM REQUIREMENTS

ALL students are required to wear the prescribed school uniform each school day. Middle school students (Grades 6-8) are required to wear blazers daily. Parents will be called if their student is not in complete uniform. Uniform infractions may warrant student being sent home.

Jewelry such as earrings, bracelets, or necklaces is not allowed in school or at school sponsored programs during or outside regular school hours. Any type of accessory to keep piercings open are not allowed. This includes flesh tone piercing retainers, spacers, plugs, tunnels, etc. Band aids are not to be worn to cover up earrings. Hair accessories such as beads (navy blue or black only) should be modest and are not to create a noise distraction. Only modest, nude-colored makeup and nail polish is allowed in school or at school sponsored programs during or outside regular school hours. Students must wear socks or stockings in school. No clothing or accessories are to be worn that would create a distraction to the learning environment. Hoodies are not to be worn in the school building. On out-of-uniform days, students will be sent home if their choice of clothing is deemed inappropriate.

DRESS DOWN

Students should wear play clothes that are modest, clean, and easy to move in. Avoid tight-fitting, low-cut, and sleeveless outfits. Ripped clothes and crop tops are not allowed. Skirts and dresses must be at or below the knee. Shorts are not allowed for students in grades 4-8. Clothing should not have logos, images, or messages that conflict with our Christian values. We want our students to enjoy active play while upholding respect for themselves and others.

The Uniform Policy will be strictly enforced.

PHYSICAL SAFETY

CLOSED CAMPUS

For security purposes and to ensure continuity of instruction and supervision, Dupont Park Adventist School has a closed campus policy. Parents are not allowed in the classrooms or hallways. Parents may schedule a virtual conference with their child's teacher if they wish to speak to him/her. Please note: there are no public restrooms available. Restroom facilities are for student and staff use only.

PLAYGROUND AND BLACK TOP

The playground and black top are both designated for student use under faculty supervision. For safety and supervision reasons, students may not use the playground before school or after dismissal unless under faculty/staff supervision.

SECURITY PROCEDURES

Dupont Park Adventist School has restricted access to the school building for safety. The building is locked, and access is allowed by using the intercom system. Visitors will be asked to identify themselves and to sign in and get a visitor's badge. Visitors are not to go directly to the classrooms.

To maintain a safe and orderly environment during school hours, we kindly ask parents and guardians to refrain from gathering near the Kindergarten House or the main campus entrances during drop-off and pick-up times. Prolonged gatherings in these areas can obstruct visibility, disrupt supervision, and create safety concerns during high-traffic transition periods.

Please note that security cameras are located throughout the building for the safety of students, faculty, staff, and visitors.

Emergency Drills

All schools practice safety drills to prepare for possible emergencies. Fire drills must be held randomly throughout the school year. These drills are important for the preservation of health and safety of our school family. Talk to your children about the importance of these drills and why it is necessary that we leave the school building quickly and orderly each time there is a fire drill. Non-compliance during a fire drill or any emergency situation will result in disciplinary action.

Fire alarms are not to be tampered with. Anyone who tampers with a fire alarm will be held responsible for the cost associated with a false alarm.

ACTIVE SHOOTER DRILL (A.L.I.C.E)

ALICE is an acronym for Alert, Lockdown, Inform, Counter, Evacuate. It's not designed to be sequential but rather to be utilized dynamically in each unique situation. ALICE training addresses each component in detail. The ALICE Training Institute provides comprehensive, hands-on instruction on these components as well as access to tools and resources to aid in implementing and maintaining ALICE procedures. For additional information please visit:

www.alicetraining.com/our-program/alice-training/

WEAPONS

Weapons of any kind are not permitted on the school premises. Weapons are defined as guns, knives, or any instrument that is or can be used in a threatening manner. Students who bring or threaten to bring a weapon to school will be recommended to the Executive Committee of the School Board for expulsion and suspended until the committee meeting is held.

Students researching weapons and/or bombs, and/or how to harm others or themselves will require an evaluation by a licensed psychologist. The parent/guardian must provide the school with the practitioner's written and signed clearance for returning to school. Once received, the Principal and/or Executive Committee of the School Board will decide whether the student may return. The student will remain at home while waiting to be evaluated and for the decision on eligibility to return.

EXPRESSED AND/OR IMPLIED HARM TO OTHERS OR SELF

If a student expresses self-harm or harm to others, DPAS school policy requires that the student's parent/guardian be contacted to arrange immediate pick up of the student. The student must be evaluated by a licensed mental health practitioner. The parent/guardian is required to provide the practitioner with DPAS's reason for requesting the evaluation. The parent/guardian must provide the school with the practitioner's written and signed clearance for returning to school. Once received, the Principal and/or Executive Committee of the School Board will decide whether the student may return. The student will remain at home while waiting to be evaluated and for the decision on eligibility to return.

INTERNET SAFETY

GoGuardian is a computer/internet monitoring software used by Dupont Park Adventist School. This software allows teachers to easily manage student's devices, better understand their students, and keep them safer online. GoGuardian has three modules: Parent, Teacher and Beacon.

GOGUARDIAN PARENT

This module provides additional educational support to administrators and teachers by allowing parents to see what sites and documents their children are browsing and providing parents with additional internet controls at home. The app gives parents a bird's eye view of the apps and websites that their kids are on most often and control over school-issued devices during out-of-school hours. Consequently, parents will be able to work together with teachers to encourage more effective internet browsing habits at home and at school. GoGuardian Parent provides:

1. *Student Reports*: Provide parents with direct access to student online activity reports via an easy-to-use mobile app.
2. *Teacher interactions*: Give parents access to reports of teacher interactions in the classroom
3. *Parental Control*: Enable parents to block websites and pause internet access on school-issued devices during out-of-school hours.
4. *Customizable Access*: Choose what activity parents can see and what functionalities they can use at home."

GOGUARDIAN TEACHER

This module supports effective teaching strategies for exploration, focus, and connection, making it easier for teachers to follow the best practices that improve learning outcomes for all students. GoGuardian Teacher allows teachers to:

1. *Interact with student screens*: Open tabs to helpful resources, close irrelevant tabs, and annotate on a student's screen to guide them towards purposeful content and help them maintain focus.
2. *Personalize learning resources*: Tailor instruction for individuals or groups of students by creating personalized learning environments with access to resources that are specific to their learning needs.
3. *View student progress in real time*: See student work in real time to quickly identify those who are off task or struggling, and those who are ready to move on.
4. *Manage digital distractions*: Easily recognize when a student strays from assigned material and bring their attention back to the class subject at hand."

GOGUARDIAN BEACON

This module is a machine-learning solution that notifies pre-determined school staff of instances where students may be at risk of suicide, self-harm, or potential harm to others. Beacon helps school staff proactively identify at-risk students and quickly facilitate a response. Beacon is a multi-class classifier machine learning model built to identify students' online behaviors that could be indicative of suicide or self-harm by analyzing their browsing across all student content. This includes search engines, social media, email, web apps, and more. Beacon shows a holistic view of the student's online behavior. Based on search content, Beacon can also alert staff to potential student safety threats or violence.

ASSESSMENT AND TESTING

REPORT CARDS

The school year is divided into four grading periods of approximately nine weeks each. Report cards are issued approximately one to two weeks after the close of each nine-week period. It is important to recognize that grades are an indication of present achievement and not an indication of a student's overall ability to learn. Please make certain that you carefully review the report card and if necessary, schedule an appointment with the classroom teacher for any concerns.

MID-QUARTER INTERIM REPORTS

Mid-Quarter interim reports will be emailed at the close of the fifth week of the nine-week period. Refer to the School Calendar for the exact date for virtual Parent/Teacher conferences. If a student is experiencing scholastic difficulty, at the mid-term period, this time may be used as an opportunity to discuss the most appropriate interventions.

STANDARDIZED TESTS

In addition to the on-going testing which teachers administer to assess students' scholastic growth and academic progress, the NWEA MAP test is also administered three times a year for grades K – 8. Refer to the School Calendar for exact dates.

HOMEWORK POLICY

It is encouraged that you set aside a minimum of 30 minutes for homework each evening. Many students will require at least an hour every night on a regular basis to make the most of their educational opportunities. Middle school students may require slightly more time.

SPELLING BEE

As part of the curriculum of Dupont Park Adventist School, 3rd – 8th grade students participate in an annual Spelling Bee. The winners of the local Spelling Bee represent their school in the annual Allegheny East Conference Spelling Bee. All winners of the Spelling Bee are required to attend the regional Spelling Bee and represent the school.

STEM FAIR

As part of the Dupont Park Adventist School curriculum, all 3rd–8th grade students participate in the annual local STEM Fair. Students are grouped by category:

- 3rd–4th grade
- 5th–6th grade
- 7th–8th grade

From each group, a select number of students will be chosen to represent DPAS at the Allegheny East Conference Regional STEM Fair. Those selected are required to attend and represent the school at the regional level. Only three (3) students will be selected overall to advance. Selection is based on the criteria provided by the teacher in September which includes:

- Must have a B or higher in science class.
- Project board must be submitted by the DPAS deadline: February 4th.
- Must place 1st, 2nd, or 3rd in the Local STEM Fair.

CHAPEL

Chapel is held weekly for the purpose of spiritual emphasis and leadership. Students are to maintain an atmosphere of reverence at Chapel. They are also to participate in song service and reading the scriptures. Students may receive grades for Chapel participation.

FACTSMANAGEMENT

The Family Portal in FactsManagement can be accessed regularly to monitor student's progress. Auto-generated reports are sent via email weekly. All parents are encouraged to become familiar with FactsManagement and the Family Portal. Parents are to check the Family Portal regularly for updates.

GRADING POLICY AND REQUIREMENTS

Grades are of utmost importance to students. The report card is evidence of the student's mastery of what is being taught. Students are expected to cooperate with the teacher in completing class assignments. Students who exhibit a disregard for meeting the class requirements stand in danger of receiving a failing grade. All home assignments and class assignments **must** be completed.

This includes earning a passing final average of at least 62% (D-) in each core subject: Bible, Language Arts, Math, Science, and Social Studies.

- Students who fail one or two of these core subjects must attend and successfully complete summer school before being promoted to 9th grade.
- Students who fail three or more core subjects will be required to repeat 8th grade.
- Students who do not meet the full graduation criteria will receive a Certificate of Completion rather than a diploma.
- All financial obligations must be met by the 10th of May to participate in Graduation activities.

Class Ranking Honors: Students will be ranked based on their cumulative GPA from 6th through the 3rd quarter of 8th grade.

- The student with the highest cumulative GPA will be recognized as Valedictorian.
- The student with the second highest cumulative GPA will be recognized as Salutatorian.
- Students must have completed at least two full academic years (enrolled four full quarters each year) at the DPAS prior to graduation.
- To qualify for either honor, students must have a minimum GPA of 3.5 or higher, along with strong attendance, conduct, and citizenship throughout their time at DPAS, as determined by the teachers and principal.
- Final selection is based on the weighted GPA calculated to the hundredths place (0.00). In the event of a tie, students will be designated as Co-Valedictorians or Co-Salutatorians.
- If no students meet the 3.5 GPA requirement, these honors will not be awarded.

Honor Guards

Honor Guards with the highest 6th and 7th grade cumulative G.P.A. are chosen from the 7th grade class to participate in the 8th grade graduation ceremony. They must attend all practices and maintain good attendance and behavior as determined by the teachers and principal.

Passing of the Torch Ceremony: In years where no 7th graders meet the GPA requirement for Honor Guard status, a “Passing of the Torch” ceremony may take place. This symbolic moment recognizes the transition of leadership from the graduating 8th grade class to the upcoming 8th grade students. Participants in this ceremony are selected by faculty and administration based on character, conduct, and potential for leadership.

COMMUNITY SERVICE

DPAS recognizes the importance of instilling in students an ethic of service and an appreciation for giving back to the community without compensation. In recognition that academic learning is more meaningful when it can be applied to real life situations, each quarter **all** scholars must complete at least the minimum minutes/hours of community service listed below:

Required Community Service for PreK-3 thru 8th Grade	
Grade	Requirement Per Quarter
PreK3 and 4	30 minutes
Kindergarten	1 hour
1 st Grade	1 hour
2 nd Grade	2 hours
3 rd Grade	3 hours
4 th Grade	4 hours
5 th Grade	5 hours
6 th Grade	6 hours
7 th Grade	7 hours
8 th Grade	8 hours
<i>*Consult each students' teacher for Community Service suggestions.</i>	

In order to count towards the requirement, community service hours:

1. May not result in monetary compensation.
2. May not be granted during the school day without prior notification and written approval from the Principal. Any written approval given by the Principal must be included in the student's cumulative folder. Any hours accrued prior to notification and approval will not be applied toward the requirement. Community service hours should be completed outside of school hours with exceptions granted on a very limited basis.
3. Must be completed under the supervision of an adult at the agency, group or organization. This on-site supervisor must be identified and is responsible for verifying the student hours and providing on-site supervision for the service activities. The on-site supervisor may not be the student's parent or close relative.
4. Must be properly verified and documented by using the DPAS Community Service form.
5. May not be granted if the student is the recipient of the service. For example, the student cannot receive tutoring services and count those hours for community service. However, if the student is providing tutoring services, those hours can be applied toward community service.

FIELD TRIPS

FIELD TRIPS

Field Trips are a fun and stimulating part of our school curriculum which are designed to enrich the teaching and learning experience. Trips are planned in relation to the classroom learning activities. Students will be graded on field trip related assignments provided by the teacher. All PreK and Kindergarten field trips require all parents to chaperone and provide transportation for their child. Some 1st, 2nd, and 3rd grade field trips will require all parents to chaperone and provide transportation for their child. Parents must sign the appropriate field trip permission slip to indicate approval for the child's participation. Students are required to follow all guidelines pertaining to conduct and dress.

CHAPERONES

Field Trip Chaperone Policy

To ensure the safety and well-being of all students, **Dupont Park Adventist School** requires the following procedures for all field trip chaperones:

Chaperoning Your Own Child

Parents or legal guardians who wish to chaperone only their own child must:

- Complete the Sterling Volunteers background screening (renewed every three years)
- Submit a valid certificate of clearance to the child's teacher prior to the field trip

Chaperoning Other Students

Any adult—including family members such as grandparents, aunts, uncles, or older siblings—who will chaperone a child who is not their own or whom they are not the legal guardian of must:

- Complete the Sterling Volunteers background screening
- Submit a Criminal Record Check
- Submit a Child Protective Registry Report
- Submit a Fingerprint Background Report
- Have the parent or legal guardian provide written consent allowing them to chaperone their child

This applies even if the chaperone is a close family member. No exceptions will be made for relation or familiarity.

Chaperoning a Class with the Teacher

If a non-parent/legal guardian is chaperoning under the supervision of a teacher for a class or group (e.g., general supervision, assigned to a group of students), they must complete all background clearances listed above.

All documentation must be submitted and approved at least one week before the date of the field trip to participate. All chaperones must dress appropriately when chaperoning and must keep all information observed or obtained while chaperoning strictly confidential. This protects the privacy of students and families and helps maintain a safe and respectful school environment.

GRIEVANCE AND APPEAL PROCEDURE

GRIEVANCE AND APPEAL PROCEDURE

When any parent has any claim of misinterpretation, inequity, violation of policy or complaints of any kind, the following procedure should be used:

1. Parents should address all issues and concerns through school personnel first. If the concern involves a classroom matter, it should be addressed with the teacher.
2. If a reasonable solution cannot be agreed upon, the principal should be the next level of administration to be brought into a conference.
3. The principal will contact the appropriate committee member of the School Board if the issue needs further hearing.
4. The committee member of the School Board recommends actions to the complete School Board.
5. If the Board is unable to resolve the issue, appeals may be made respectively to:
 - Allegheny East Conference Department of Education
 - Columbia Union Department of Education

The school principal will guide the person with the grievance through these steps.

Parent-Teacher Conciliation Procedure (Columbia Union Code 3065)

A. Purpose The following conciliation procedure based on Matthew 18 and I Corinthians 6 will be used for resolving problems that may arise between parents and teachers. The objective is to resolve the problem on an informal basis, if possible, and then on a formal basis if necessary. This procedure pertains to misunderstandings between parents and teachers. It should not be used for handling disputes over student misbehavior or employment practices (see Code 3500, 9650).

B. Procedure

Step One: The parent should first talk with the teacher and attempt to resolve the problem informally. If the problem persists, each additional step shall be employed until the problem is resolved.

Step Two: The parent should then ask the school principal to help resolve the problem informally. (This step would be skipped if the teacher is also the principal.)

Step Three: The parent should then contact the local school board chair who will attempt to resolve the problem informally.

Step Four: The school board chair will convene a formal meeting of either the school board's executive/personnel committee or full school board, depending on procedures adopted by the school board for such situations. When such a meeting takes place, the local conference superintendent must be informed of a potential problem.

Step Five: The parent should then contact the local conference superintendent and explain the problem in writing. The superintendent will attempt to resolve the problem by meeting with the parent(s), teacher, principal, and school board chair.

Step Six: The parent should then ask that the matter will be referred to the local conference K-12 board of education or its duly appointed committee that deals with such matters. The decision at this level will be final.

MISCELLANEOUS INFORMATION AND GUIDELINES

PARENT/TEACHER/STUDENT CONFERENCES

Four (4) Parent-Teacher Conferences are scheduled each school year - one each quarter. Attending Parent-Teacher conferences is critical to scholar's success. It becomes increasingly difficult to challenge scholar's progress if parents do not attend conferences regularly. Thus, 1st – 8th grade parents and students must attend a minimum of two parent-teacher conferences together.

Parents desiring a conference with a teacher or administrator about a matter of concern should make arrangements in advance. A grade book progress report for grades K-8 is auto-generated every Sunday and sent to the email address that was provided to DPAS and designated to receive correspondence. Contact your child's teacher immediately if you are not receiving these reports.

UPDATED INFORMATION

It is very important that we have current information on all students, especially emergency contact persons and their current telephone numbers. If there is an accident or illness, parents and/or guardians will be notified immediately. Please notify the office of all changes during the course of the school year. Parents must make appropriate informational changes in the Family Portal section of FactsManagement. Parents are responsible for informing the teacher and the office of any special medical problem that the child may have.

TOYS

Toys are not allowed to be brought to school except upon the request of a teacher. Dupont Park Adventist School will not be responsible for lost, damaged or stolen items which are brought on campus.

PERSONAL ELECTRIC DEVICES

Students are not permitted to bring smart watches, tablets, iPads, radios, IPODS/MP3 players, or other audio equipment on campus. Bringing them will result in confiscation. Students are not allowed to wear AirPods, headphones, or other listening devices while on campus. Elementary students will wear listening devices when instructed by their teacher. The Dupont Park Adventist School will not be responsible for lost, damaged or stolen items which are brought on campus.

CELL PHONE POLICY

Students may bring a cell phone on campus **BUT** they must keep the device turned off and stored in their backpack before entering campus. The phone must remain off, in their backpack, and unused for the entire duration of the school day. This includes before school, during school hours, after school, before-care, aftercare, and all school-sponsored field trips or off-campus events. Cell phones may not be used in any area of the campus, including classrooms, restrooms, hallways, the multipurpose room, or outdoor spaces such as the playground or blacktop.

Violations of this policy may result in the confiscation of the phone, which will only be returned to a parent or guardian. Repeated offenses may lead to disciplinary action in accordance with the school's Code of Conduct. The school reserves the right to enforce this policy in order to

maintain a safe and focused learning environment. Parental support in upholding these expectations is both essential and appreciated.

The school does not assume any responsibility for cell phones brought to school and will not be responsible for any lost or stolen cellular phones. If the rule is violated, the cell phone can be confiscated, and this privilege revoked. All confiscated cellular phones/electronic devices will be returned to a parent/guardian.

SOCIAL MEDIA MISUSE – Student's use of any device (personal or school-issued) or the school's internet/network to access, post, record, or share content on social media platforms that references the school in any form is strictly prohibited. This includes, but is not limited to, the student's use of the school's name, uniform, logo, faculty/staff, students, or any image, video, or language that can be reasonably connected to the school. Messages that are not of an urgent nature will be placed in the teacher's school mailbox or conveyed to the student between classes or after school.

TEXTBOOKS AND SUPPLIES

All hardback books are provided by the school. The rental charges are included in the registration fee. There will be an extra charge for the replacement of lost or damaged books. - Throwing snowballs, rocks, rubber chips, etc. could result in hurting or offending someone, and therefore is not permitted.
- Climbing on bushes, trees, railings, or fences on the school grounds is not permitted.

Teachers send weekly newsletters and other communication home as needed for parent information and prompt attention.

ALL parents are expected to become active participants of the Home and School Association and fundraising activities.

PARKING

To ensure safety and smooth operation, vehicles must not block driveways, walkways, or designated parking areas for the principal, business manager, faculty, and staff.

VIRTUAL LEARNING

Dupont Park Adventist School's (DPAS) Distance Learning Plan is designed to describe and explain the institutional protocols and learning procedures that will result in the event of an extended closure of campus. Consistent with our mission of being committed to excellence in preparing our students for the service of God's church, country, and community, and above all for eternity, the goal of the DPAS Distance Learning Plan is to ensure that our students maintain a high level of academic engagement. even if we are not able to gather together physically on campus.

Continuing with a structured daily approach, similar to what students are used to while in school. is important for distance learning. While this includes breaks, required time for physical activity, and time for connecting with teachers, it also includes regular academic time, homework, and the expectation that students will be engaged and on task. Whenever possible DPAS will work to accommodate individual family/student circumstances as they relate to the capacity to access our distance learning program.

STUDENT EXPECTATIONS DURING VIRTUAL LEARNING

To maintain a serious, focused, and academic approach to learning, students are expected to abide by the following:

- Establish a workspace within the house that limits distraction and includes a desk, chair, lamp, and access to electrical outlets.
- Closely follow the published daily schedule.
- Be on time.
- Ensure the background that will show up behind you is appropriate for school.
- Enter each school day groomed and in school uniform. as it pertains to what can be viewed via webcam.
- Be prepared with the appropriate school supplies: computer, earphones, textbooks, notebooks, calculator, writing implements, etc.
- Proactively reach out to teachers with questions and/or concerns.
- Abide by the school's academic integrity expectations: submit only original work, using only permitted materials and documented sources.
- When in synchronous (face to face) class sessions, each participant's full face should be in view.
- When in synchronous class sessions or meetings, cell phones or other private means of communication are NOT to be in use unless directed by the teacher for educational purposes.
- Chat functions within a video conference should be used for the educational benefit of the class with the teacher's permission.
- Students are to disconnect promptly when a video meeting ends.

- Without express and written permission from the principal users (including students) may NOT record, screenshot, share, re-post, or otherwise capture or disseminate digital content created via any of our distance learning platforms. Only representatives of the school may capture or post such content. Failure to comply with this directive may result in disciplinary action.
- Students may NOT manipulate digital apps or use digital tools in a manner that disrupts classroom objectives.

While distance Learning will not be able to fully replicate the experience found in classrooms at DPAS, our faculty and staff will continue to engage students in a variety of ways, and will, through this process, explore with them new and creative ways for delivering academic experiences.

ATTENDANCE

A student absence is considered excused if it adheres to the guidelines outlined in this Handbook. Attendance is recorded daily by each teacher in each class.

GRADING

- To maintain consistency and clarity for students and faculty alike, DPAS will continue with traditional standard grades during Distance Learning.
- Measures for academic intervention remain in place: tutoring, tutorial, progress reporting, faculty/parent/student meetings.
- Flexibility remains paramount as teachers assist students with time management, slip-ups in schedules, or issues related to devices or connectivity.
- Teachers retain the autonomy to offer students opportunities for improvement.

ASSESSMENT

- Blended and alternative forms of assessment will be implemented.
- Formative assessments will be used to collect in-process evaluations of student comprehension, progress, and need for clarification during a Lesson or unit.
- Academic integrity guidelines remain in force for all types of assessments.
- Projects, presentations, and collaborative work to engage students with the subject matter and with one another will be implemented.
- Summative assessment at the end of a unit will be used to determine the outcomes of learning.

COMMUNICATION DURING VIRTUAL LEARNING

- DPAS will continue to use the same channels it employs for normal day-to-day communications. Email will always remain the primary mode of communication, and when appropriate, the communication may also be posted on the website and various social media channels. Urgent messages may be sent via FactsManagement parent alerts.

WHAT PARENTS CAN DO TO HELP

- Pray with your child often.
- See that your child gets enough sleep to do his/her best at school
- See that your child has breakfast so that he/she has the necessary nourishment to perform well at school.
- See that your child has the necessary supplies at home to complete school assignments, such as paper and pencils.
- Monitor your child's use of the internet and set content limits. Utilize the Parent features of Go Guardian.
- Your opinion matters to your children, even if they tell you, it does not. Ask them regularly to tell you--or to teach you--one thing they learned at school. Keep asking this question daily and give praise!
- Maintain an emotional climate at home that frees your child from unnecessary worries and confusion that will interfere with concentration and staying on task at school.
- Work some reading time into your child's day. Reading stimulates the brain and helps kids to be more prepared and alert in school.
- Know your child's teacher(s). Schedule brief conferences early in the year for this purpose.
- Parent and teacher must work together for the best interest of the child.
- Speak positively about your child's teacher and school.
- Get Involved! Become an active member of the Home and School Association.
- Balance independence and support with distance learning expectations. Students will need to work through problems that they encounter as they dig into their work. So, it is important for adults to resist the temptation to jump in and solve their challenges right away. Equally important is being a support for your child should they begin to become discouraged or disorganized with their work. Should that occur, please speak with them about the importance of reaching out to their teachers for guidance and support and how best to do so.
- Help reinforce the school's expectations for online behavior. Being a good citizen, one who is honest and respectful, both in person and online, is an expectation articulated in our handbook. We ask your partnership with that in reminding them about the fundamental importance of character.
