**Rationale:**

- Dupont Park Adventist School students will participate in voluntary activities in the school, local and/or greater communities to help individuals or groups and to show appreciation to others in the communities who provide services to the Dupont Park Adventist School community. (See page 33 of Student/Family Handbook)

**Definition:**

- Community Service is an unpaid service to the school or greater community that provides a meaningful and tangible benefit to others. Community Service is not performing normal family responsibilities, court ordered, or service to a for-profit business.

**Community Service Requirements:**

- Read over guidelines with parents.
- Identify personal talents and skills that could be shared with others. Identify times when services could realistically be provided.
- Contact the appropriate individual, group or organization and arrange a time schedule to complete the service activity.
- Conscientiously fulfill service responsibilities.
- Complete the attached Community Service Record chart and have an organizational representative sign it after you complete each session. **Parents/guardians may not sign as an organizational representative.**
- The completed Community Service Record should be turned in to the student’s teacher at the end of each quarter.

**Hours:** Students will complete hours in accordance with their grade level. Students are encouraged to complete additional hours if they would like.
